Support account for peace-keeping operations

Draft decision submitted by the Chairman

The General Assembly

(a) Decides to authorize, for the period from 1 January to 30 June 1995, three hundred and forty-six established posts, including the conversion from general temporary assistance of one D-1 and one P-5 for the Peace-keeping Financing Division and one D-1 and one P-5 for the Field Missions Procurement Service, and the continuation of the remaining sixty-one general temporary assistance posts funded from the support account for peace-keeping operations in the amount of 14,105,900 United States dollars to be used for the departments and offices as described in annex I to the report of the Secretary-General; 1/

(b) Notes that the contractual arrangements applying to staff recruited specifically for posts financed from the support account provide for rapid adjustments to any decrease in the level of resources available under the current arrangements;

(c) Decides to authorize for a period of six months 86,000 dollars under general temporary assistance for the position of Special Adviser to the Secretary-General and resources for a period of three months for overtime (52,500 dollars), travel on official business (30,000 dollars), training (132,400 dollars) and general temporary assistance (77,900 dollars);

1/ A/49/717.

(d) Requests the Advisory Committee on Administrative and Budgetary Questions to provide a full report on the management and financing of support activities for peace-keeping operations by 15 March 1995, paying particular attention to the need for operational flexibility in response to changing backstopping requirements, and to the justification for overall post requirements in this area.
